

Bristol West® Auto Accident Checklist

Keep a pen and a copy of this Accident Checklist in your glove box. Policyholders call 1-800-274-7865 to file a claim.

If you're involved in an auto accident:

- Stay as calm as possible.
- Check for injuries. Safety is more important than vehicle damage. Call an ambulance if needed.
- Turn on your hazard lights. Use cones, warning triangles or flares for safety.
- Call the police, even for minor accidents.
- Make immediate notes about the accident including the specific damages to all vehicles involved.
- Be polite and state only the facts. Don't tell the police or other drivers that the accident was another driver's fault or was your fault. You likely don't know all the facts. Let the police sort out all the facts to establish what happened.
- If a camera is available, and if it is safe to do so, take photographs of the scene.
- Notify your insurance agent about the accident immediately.
- Please remember that getting the facts is important, but only police officers and insurance companies should investigate the accident.

If you know of insurance fraud, report it to our Auto Fraud hotline at 1-888-662-6616.

You can count on the value and expertise that comes with every Bristol West policy, along with the peace of mind that comes from knowing that your policy is backed by our dedicated claims service that will get you back on the road quickly and fairly in the event of loss.
